

Our Highlights, Your Confidence

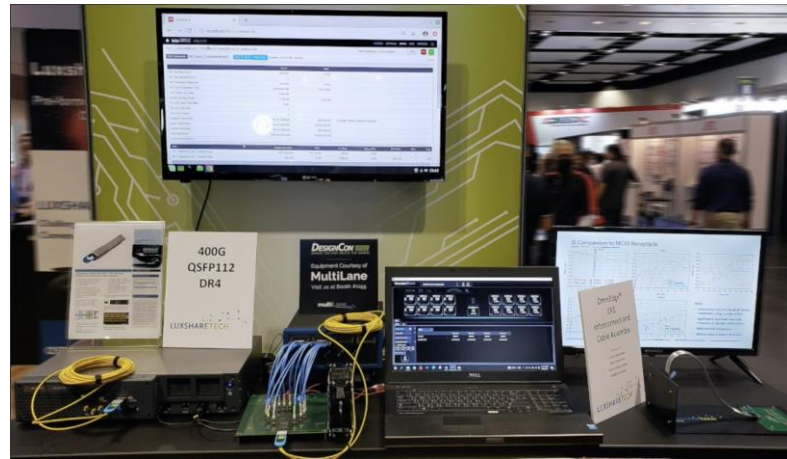

Latest Exhibitions, ECOC 2022, New Milestone, and more

DesignCon 2022 Recap

This year's conference has been a blast and we'd like to share our highlights with you!

Our latest partnerships yielded novel 800G solutions that have been demonstrated at our and our partners' booths.

Check out the [video](#) to meet our team and watch our demos, and take a look at our brochure [here](#).

Find Us at ECOC 2022!

MultiLane will be back at the European Conference on Optical Communication (ECOC), Europe's biggest optical communications exhibition, this September in Basel, Switzerland.

Our team will be there in person to discuss innovative solutions for tackling the upcoming 800G wave.

Come find us at booth #276. Looking forward to seeing you there!

New Milestone: ISO 9001:2015 Certification Achieved!

We are proud to announce that MultiLane is now ISO 9001:2015 certified. Our company is compliant with international standards for a Quality Management System, demonstrating our commitment to delivering high-performance, high-value solutions and prime services with utmost efficiency.
